

NEUTRON HOLDINGS, INC.
AUDIT COMMITTEE CHARTER

Approved by the Board of Directors
November 5, 2025

I. Purpose

The purpose of the Audit Committee (the “Committee”) of the Board of Directors (the “Board”) of Neutron Holdings, Inc. (the “Company”) is to oversee the accounting and financial reporting processes of the Company, including internal control over financial reporting (“ICFR”), the audits of the financial statements of the Company, fraud risk management, and the legal, regulatory, cybersecurity, data privacy, compliance and other matters that could materially impact the financial statements.

The Committee’s responsibilities are limited to oversight. The Company’s management is responsible for establishing and maintaining accounting policies and procedures in accordance with generally accepted accounting principles (“GAAP”) and other applicable reporting and disclosure standards and for preparing the Company’s financial statements. The Company’s independent auditors are responsible for auditing and reviewing those financial statements and issuing opinions on their conformity with GAAP and the effectiveness of ICFR.

II. Composition

The Committee will consist of at least three directors, subject to any available exception. Each Committee member must satisfy the independence requirements of The Nasdaq Stock Market LLC (“Nasdaq”) and the more rigorous independence rules for members of the Audit Committee issued by the Securities and Exchange Commission (the “SEC”), subject in each case to applicable transition provisions or exceptions. Each Committee member must be able to read and understand fundamental financial statements, including a company’s balance sheet, income statement and cash flow statement. In addition, at least one member of the Committee must be an “audit committee financial expert” as defined under SEC rules.

Committee members may be removed from the Committee, with or without cause, by the Board. Unless a Chair is designated by the Board, the Committee may designate a Chair by majority vote of the full Committee membership.

III. Meetings, Procedures and Authority

The Committee must meet at least once during each fiscal quarter. The Committee must meet separately, periodically, with management, the internal auditor (or other personnel responsible for the internal audit function), if any, and the independent auditor, and shall hold private sessions with each group at every regular meeting.

The Committee has the authority to establish its own rules and procedures for notice and conduct of its meetings so long as they are not inconsistent with any provisions of the Company's bylaws that are applicable to the Committee.

The Committee may retain any independent counsel, experts or advisors that the Committee believes to be necessary or appropriate. The Company must provide for appropriate funding, as determined by the Committee, for payment of compensation to the independent auditor for the purpose of preparing or issuing an audit report or performing other audit, review or attest services, for payment of compensation to any advisors employed by the Committee and for payment of ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

In addition to the duties and responsibilities expressly delegated to the Committee in this Charter, the Committee may exercise any other powers and carry out any other responsibilities consistent with this Charter, the purposes of the Committee, the Company's bylaws and applicable Nasdaq rules.

The Committee may conduct or authorize investigations into any matters within the scope of the duties and responsibilities delegated to the Committee.
